

First, use the keypad to input your registration number and then press the green OK button.

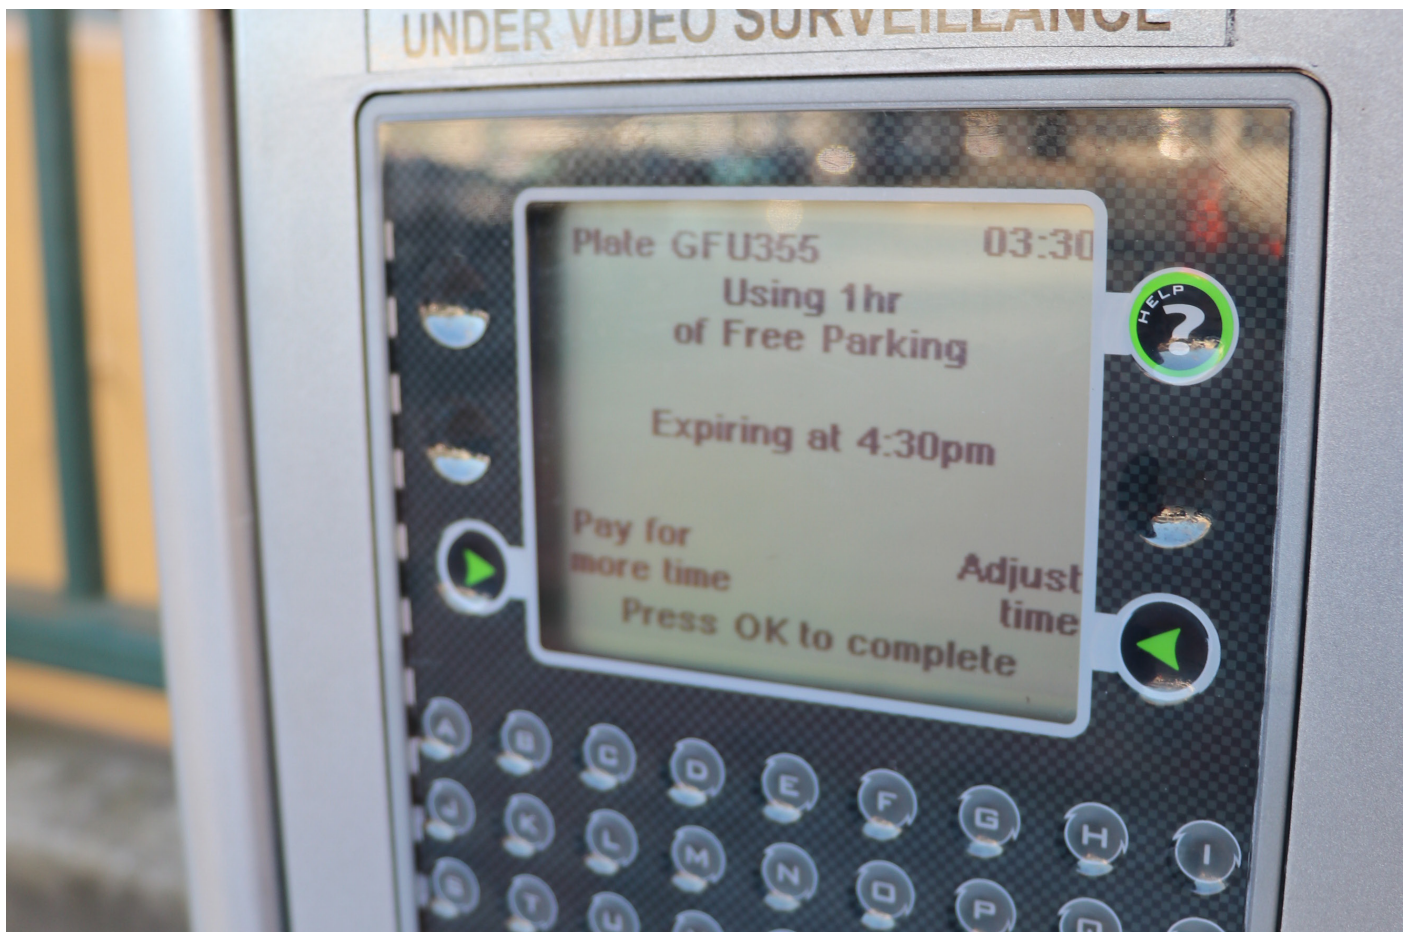

If you just want to claim your free hour of parking, click the green OK button and then you are free to get on with your day. If you want to park for shorter or longer press the green arrow below Adjust Time.

Use the green arrows to the left and right of the screen to select more or less time than one hour. If you have chosen less than an hour, just hit the green OK button to proceed.

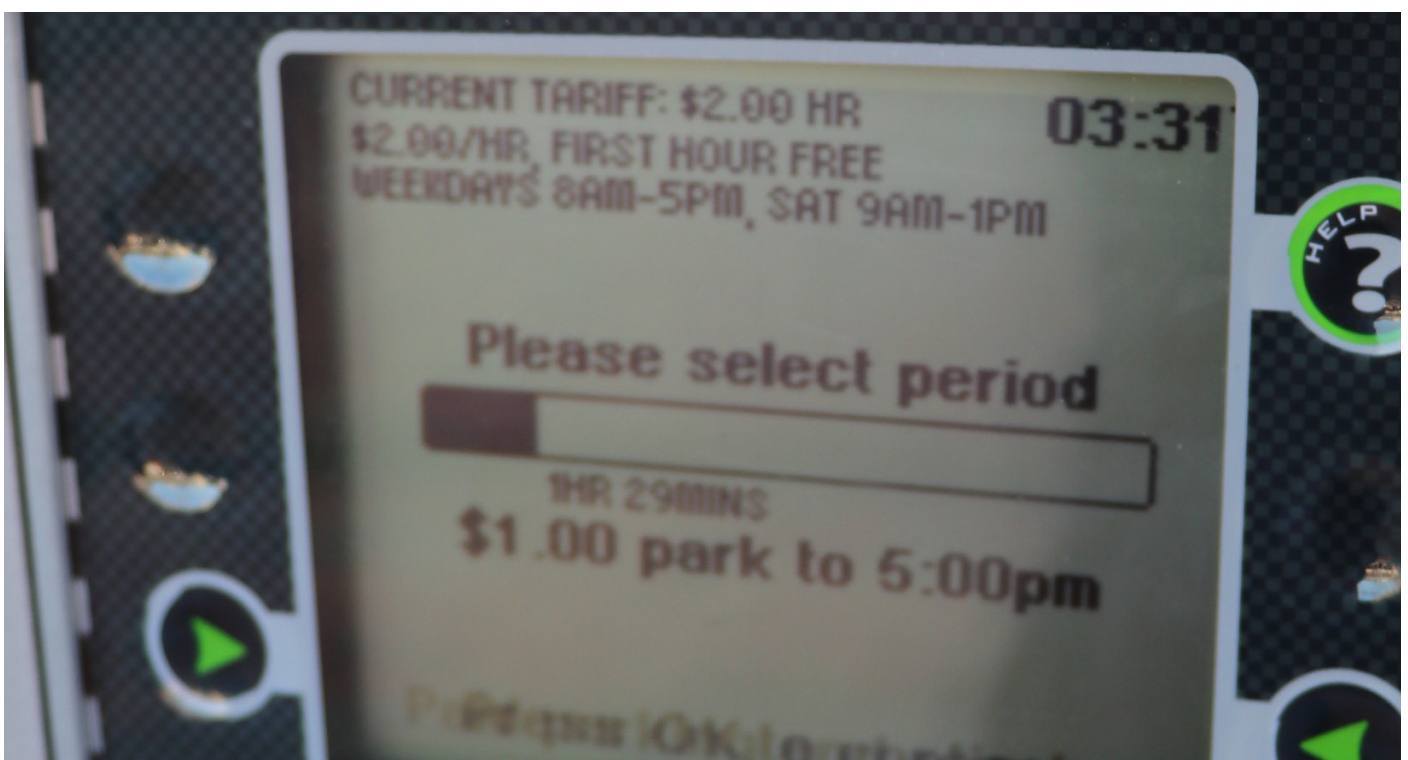

Make a note of when your time expires and click the green OK button to complete.

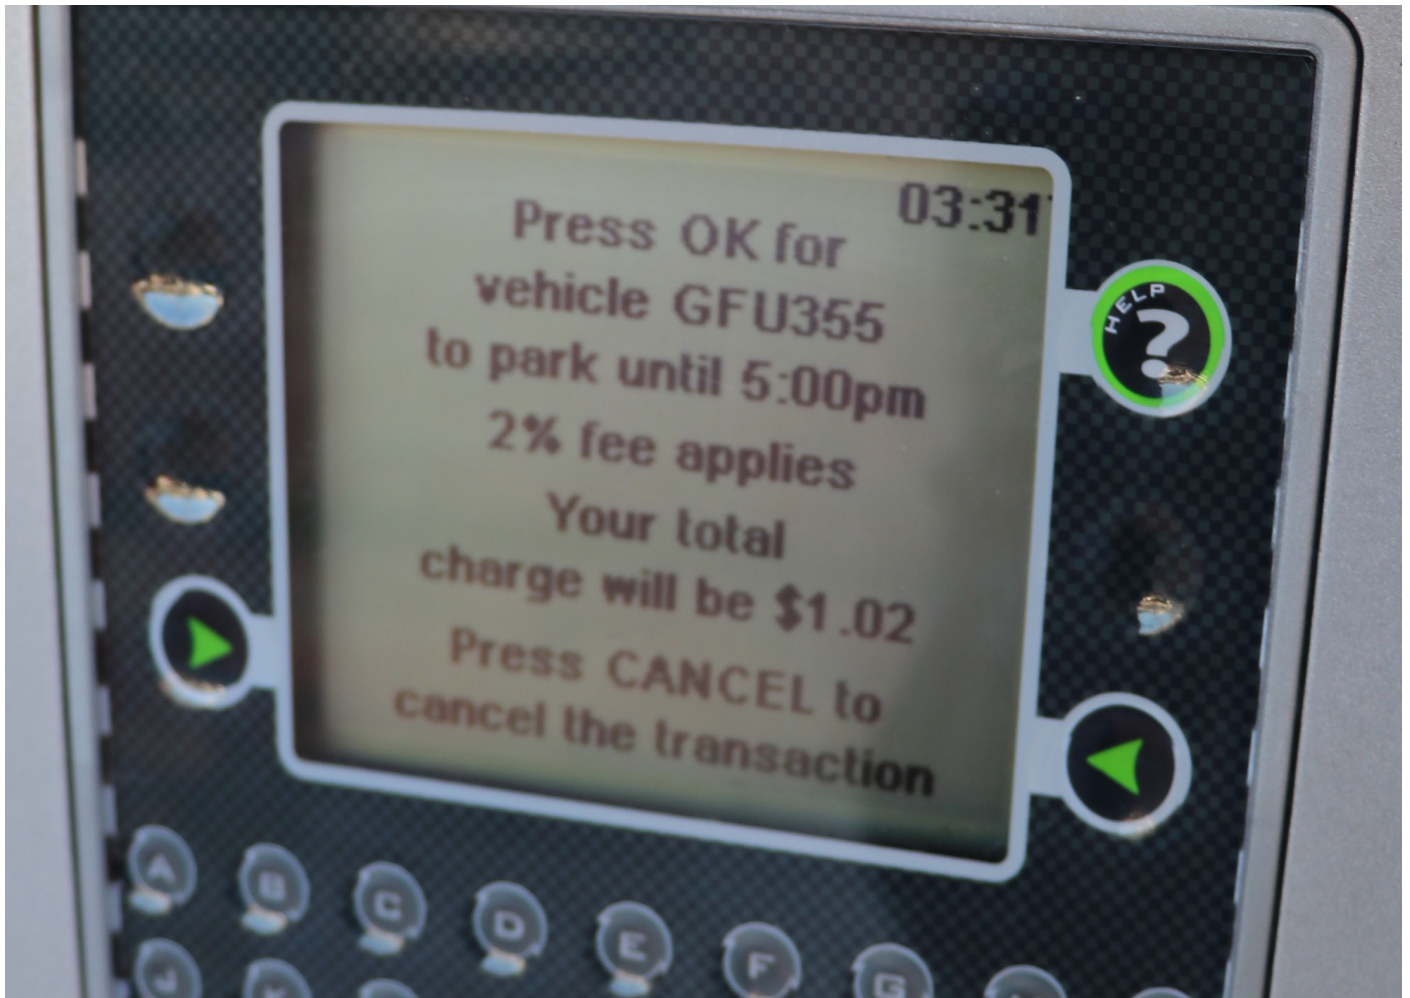

If you want to pay for more than an hour's parking, press the green arrow next to 'Pay for More Time'.

If you start inserting coins now the meter will start adding on time as you add more money. If you want to pay with payWave press the green arrow on the left hand side of the screen.

Adjust the time you want to park for by pressing the green arrows on the left and right sides of the screen. Once you are happy with the time, press the green OK button.

Press the green OK button to confirm the details. Then tap your card to finish the process.
